Terms and Conditions

- All pets boarding must be fully vaccinated including kennel cough and a current certificate of vaccination must accompany each pet. Failure to provide a valid vaccination card for each pet will prevent them from boarding. In this instance, your booking may be cancelled but you will remain liable for all boarding fees in full. New vaccination courses must have been completed at least 7 days before arrival.
- Payment is due in full on arrival.
- Charges commence from the day of arrival until 10am on the day of departure. Unless a pre-10am collection is guaranteed your fee will include a charge for the day of collection.
- No refund will be made in the case of early collection.
- No reduction is made if you supply your pet's own food.
- If you cancel a booking within less than 7 days of your arrival date you will still be liable for the first two days boarding fee.
- We require details of any pre-existing conditions and reserve the right to consult a veterinary surgeon should we feel it necessary; the signing of our Terms & Conditions gives us consent to do so.
- We reserve the right to refuse to board any animal that is clearly unwell or in a very poorly condition.
- All dogs are insured during their stay with us. However, our insurance does not cover any pre-existing or ongoing conditions requiring veterinary care. All veterinary bills are the responsibility of the owner until our insurer accepts any claim
- You may bring your own items of food, bedding, playthings etc, but please note that we will not accept any responsibility for their condition or safe return and they are left solely at the owner's risk. Please clearly mark any items with your dog's name.
- It is advisable to keep your dog on its normal diet during its stay to minimise stress. However, we do provide a quality dried food and treats if you wish.
- During the period of boarding, the kennels will exercise every possible care and attention to the welfare and safety of your pet, however the kennels accepts no responsibility for problems outside of their control.
